

Giving Thanks for West Briar Middle School

What are you thankful for, Grizzlies? As we near the end of the first term of the 2022–23 school year, I am thankful for West Briar Middle School and for all it gives to our children, families, and community. Won't you join me in showing your gratitude for WBMS by making a gift to this year's Grizzly Giving campaign and, in doing so, demonstrate your commitment to the school and your belief in the **Grizzly Values of Integrity, Respect, and Perseverance**?

Grizzly Giving donations support the budget and activities of our PTO, which is involved with almost everything that takes place in and around the school or involves WBMS students and staff: from making the library a more welcoming and usable space to sponsoring back-to-school events; from purchasing coolers for the sports teams to supporting professional development opportunities that strengthen the academics and reinforce the spirit of West Briar Middle School.

If every family could give \$25 (that is less than 15¢ per day of instruction), we would raise nearly \$20,000 – so every gift is important and very much appreciated! All funds raised go directly to support school projects and programs, and you can make a one-time donation, or spread your gift out over monthly payments (to do so, just visit www.westbriarpto.com/grizzly-giving, click on the yellow "Donate" button, and choose "Make this a monthly donation").

-Katy Bate
2022-23 Grizzly Giving Chair

We are a 501(c)(3) non-profit organization, so all donations are 100% tax deductible.

Our Federal Tax ID / EIN is 26-0041071.

Many employers have matching programs for charitable contributions – please ask your company Benefits or HR Department for details.
